## Political Notebook

Rep. Lois Capps, D-Santa Barbara, has endorsed county Supervisor Bruce Gibson in his bid for re-election to represent the North Coast.

“Bruce is the kind of representative we need for this special coastal district,” Capps said. “He has worked hard to protect our precious coastal resources and the character of these unique communities.”

Gibson is seeking his second term representing the North Coast District, which includes the city of Morro Bay, a corner of San Luis Obispo and the communities of Cayucos, Cambria and Los Osos.

Gibson in turn praised Capps for “her support on a number of important projects in the district, especially the sewer project in Los Osos.”

Gibson is running against Marshall Ochylski, a San Luis Obispo attorney who serves on the Los Osos Community Services District board.
