Capps Endorses Bruce Gibson Supervisor

Congresswoman Lois Capps announced her endorsement today of Bruce Gibson for San Luis Obispo County 2nd District Supervisor.

Gibson is seeking his second term representing the North Coast district, which includes the communities of Cambria, Cayucos, Morro Bay, Los Osos and parts of San Luis Obispo.

“Bruce is the kind of representative we need for this special coastal district,” Capps said of Gibson. “He has worked hard to protect our precious coastal resources and the character of these unique communities.”

Gibson said he is “most grateful” for Capps’s endorsement.

“I greatly appreciate her support on a number of important projects in the District,” he said, “especially the sewer project in Los Osos. I admire the efforts she has made on behalf of the residents and environment of our County.”
